Brass Date: May 2020

DAILY EXERCISES USED: Working on reading and playing chromatics up and down in different rhythmic variations. Continuing working on fingering and slide positions and doing long tones to build the right endurance to fill the instrument. Working on music for final presentation.

EXERCISES OBSERVATIONS: Kids have shown the understanding of the chromatic exercises. Know their fingering and slide position. Improving on the range of their instruments. Air support is improving weekly and showing good results and they are maintaining proper posture. Kids showed a great effort in learning the music with about less than a month before the concert.

SIGHT-READING MATERIAL: Using Orchestra builder green book as sight reading material.

SIGHT-READING MATERIAL OBSERVATIONS: Still room to improve but some kids show the effort in their sight reading. Fingers are moving better but the mind is still working to connect with the fingers.

REPERTOIRE PRACTICED: Orchestra Builder, Aguinaldo, C jam blues, Hit The Road Jack and Oye Como Va.

REPERTOIRE OBSERVATIONS: Student showed an interest in learning new music and learned all the songs.
